Dear Matt:

Lilia was a great read!

Lilia Litvyak's story took 60 years to tell. Her courage, her skills and her love of country are still relevant today. Her inspirational story commands respect, particularly today when so many women and men around the world are still in harm's way fighting for freedom.

Your book is also a moving tribute to the 30 million brave Russian civilians and soldiers who died during World War II.

Kindest personal regards,

Fred B. Tarter
